

To whom it may concern,

We would like to take a moment to tell you a little about our brand-new non-profit organization and how important it is to the youth and families within our community. Our goal is to provide a program that is not only fun and rewarding, but a program that will educate young athletes teamwork, dedication, and fundamental skills to perform to their best potential.

Our non-profit organization was developed to provide a new competitive cheerleading program to the Yuba and Sutter Counties, and surrounding communities. The staff has heart and passion for cheer and would love to allow youth in our area the same opportunities they were given to develop a connection with a sport that can not only be part of their childhood but can expand into their futures in adulthood. We dedicate our time to provide an outlet for these children to better spend their time participating in.

The West Coast Cheer program exists not only because of the dedication and the heart our staff has to see these children grow with a competitive sport, but because of businesses or individuals like you! By you financially sponsoring West Coast Cheer, it will help offset the growing costs of practice locations, uniforms costs, insurance needs, and equipment, it makes it possible for us to do what we do. Your support is greatly appreciated and is essential to each family who would like to bring their young athlete to our program.

**“Our goal is to help the children
in our community be better than
the person they were yesterday.”**

If you have any further questions and/or concerns,
please feel free to contact the Owner and President of West Coast Cheer.

WE ARE A 501C3 NON-PROFIT ORGANIZATION,
TAX ID # 99-3051493

It is our goal to provide a safe and wholesome atmosphere where kids can learn the ideals of sportsmanship, scholarship and physical fitness all while having a good time. Our program stresses learning lessons beyond sports such as self-discipline, teamwork, concentration, friendship and leadership. Our safe exercises, drills and rules are there to ensure that all kids are physically and mentally prepared for cheer competitions. Each child is unique and develops at their own pace. We will exercise their bodies and minds in an effort to develop the skills needed in competitive cheerleading, as well as day-to-day life.
